Dear Dr. Paley:

This letter is to confirm whether there are any other users of the Sinu-Clear® product within Southern California.

We have identified only one customer within that radius who ordered this product from PhotoMedex, Inc. during the current year – Brotman Hospital. Brotman is, of course, ordering on your behalf. We know of no other practitioners within Southern California who perform the Sinu-Clear® procedure, and no one performs it with the skill and thoroughness that you do. Done right, the procedure is a godsend to people long-suffering from nasal disorders.

Moreover, as you know, you are the only physician licensed by our Company to use the “Sinu-Clear®” trademark and product in California.

I hope that this letter responds to your request. Should you require additional information, please contact me at 215-619-3278.

Sincerely,

Davis Woodward
Corporate Counsel
